## **IMPORTANT CHANGE TO YOUR CHECKING ACCOUNT**

Dear Valued Member:

At Nikkei Credit Union nothing is more valuable than our relationship with you. That is why we wanted to make sure you are aware of an important change coming to your **Secure Plus Checking** account.

As of April 1, 2023, we will no longer offer the non-banking benefits previously provided by this account which includes the IDProtect® Identity theft monitoring and resolution service, with credit file monitoring, identity monitoring, credit reports and scores, debit and credit card registration, and identity theft expense reimbursement coverage.

Beginning April 1, 2023, your account will be converted to our new Checking Rewards Program with new and exciting benefits.

These changes will not affect your account number(s) which will remain the same and you will be able to seamlessly continue with your current debit card, direct deposit arrangements, and checks.

If you have any questions about your checking account, please call Nikkei Credit Union at 866-4NIKKEI (866-464-5534), 888-MABUHAY (888-622-8429), or email us at [info@nikkeicu.org](mailto:info@nikkeicu.org).

Thank you for allowing Nikkei Credit Union the opportunity to serve your banking needs. We appreciate your relationship and value your Membership.

Sincerely,

Jon Hernandez  
President/CEO
