

MABUHAY CORNER

As California started to re-open along with the rest of the country during this 3rd quarter of 2021, Mabuhay Credit Union gradually started getting involved in more face-to-face events on top of the various online events and activities that we've grown accustomed to during this COVID-19 pandemic.

Not only did we receive the City's Official Proclamation of the 4th of July being Filipino American Friendship Day, but we also got an opportunity to support the City of Carson, CA's actual celebration of this event as well. We were also able to continue supporting community events such as the Carson Sheriff Department's Community Night Out celebration and the Mayor's Town Hall and Q&A. In addition to our ongoing campaigns such as our Membership Appreciation Shred Day and #MabuhayCares / #NikkeiCares donations towards homeless college students.

STAY PROTECTED FROM SCAMS

COMMON ELDER SCAMS AND WAYS TO STAY PROTECTED

Every year, millions of elderly Americans fall victim to some type of financial fraud, identity theft, and other related scams. Since many seniors tend to be more trusting, have financial savings, own a home, and have good credit, they're often attractive targets of scammers.

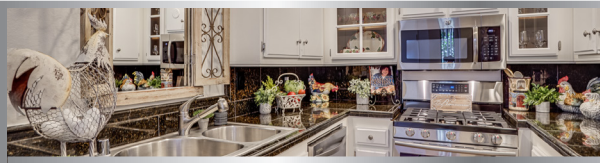

Common Types of Elder Scams:

- Grandparent scams
- Government impersonation scams
- Customer support scams
- Sweepstakes/charity/lottery scams

Ways Elders Can Protect Themselves:

- Be on the lookout for scams. If you recognize a scam attempt, end all communication with the perpetrator and report it immediately.
- Only download files from sources that you trust. Be wary of email attachments sent to you, especially if they're from someone you don't know.
- Resist the pressure to respond immediately. Scammers often lure victims into immediate action by creating fear. Never share personal information or send payment to someone you don't know or trust.
- Be leery of unsolicited phone calls, mailings, and door-to-door services offers.
- Ensure you're using up-to-date and reputable computer anti-virus and security software.
- Avoid using easy-to-guess passwords. Also, don't use the same password for multiple accounts.

Our Credit Union wants to help all our Members stay safe. **Read our recent blog article, Learn About Common Elder Scams and Ways to Stay Protected at www.nikkeicu.org/blog**, for more details on how elders can protect themselves from scammers.

EMPLOYEE SPOTLIGHT

Hello! Meet this quarter's Employee Spotlight, Song. He joined the Nikkei family almost a year ago, and both Members and Staff love him.

Here are some fun facts about him:

What do you love most about Nikkei?

I love Nikkei's culture because it's very family-oriented. We all treat each other with kindness and respect. I also feel a lot of our Members' support and love.

What is your favorite pastime?

I enjoy creating art pieces that can inspire others.

If you could have a superhero power, what would it be?

I'd like to teleport since it's convenient and useful. I could travel anywhere and quickly save someone in danger

What is your favorite place you have traveled to?

That is a tough one, but I'd say Japan is my favorite. Every time I visit, I am not disappointed, and I always want to go back.

If there was any problem in the world you could fix, what would it be?

I'd fix our ocean pollution problem. I believe it's extremely important to care for it since it's one of the major sources of life.

How many states or countries have you been to?

During a year of being in a youth volunteer program, I traveled to over 10 states: New York, New Jersey, Maryland, Connecticut, Kansas, Texas, Wyoming, Nevada, Arizona, Utah, New Mexico, Colorado, Tennessee, Kentucky, Idaho, Ohio, and more. I've also been to 5 countries: Japan, South Korea, Singapore, the Philippines, and Taiwan.
