COMMUNITY OUTREACH

Along with serving our members, community philanthropy is one of our top priorities. Recently, we had the wonderful opportunity to help Los Angeles Harbor College and donate clothes, blankets, and canned goods for their students in need. To join in aiding our local college students, visit one of our branches to donate.

WELLNESS TIPS FOR STAYING HEALTHY AND HAPPY

This year has taught us many lessons in patience, strength, and new ways to connect. It's challenging times like these that remind us that together our community is strong and extending kindness is more important now than ever.

During these times, some of us have found new hobbies and interests to help take our minds off things but that may not be enough for others. Take some time this week and check in on that friend or family member that could use a little extra love.

Here are some tips for maintaining wellness in multiple areas of life:

PHYSICAL WELLNESS

- Walking 30 minutes a day can help joint mobility, maintain weight, and elevate your mood
- Maintaining a regular sleep schedule can boost your immune system
- Healthy eating habits can provide energy and improve brain function

FINANCIAL WELLNESS

- Take advantage of bill consolidation loans and lump all your bills into one payment
- Create a budget and plan out your monthly expenses
- Invest your extra savings into a CD to earn interest at a higher rate

MENTAL WELLNESS

- Reconnect with friends and family to share fun memories
- Meditate to relax your mind
- Limit reading/watching news stories that might affect your mood negatively
